New Mail Route.

On the fifteenth of June, W. P. Merrill will start the mail over the route in Hope Valley from Woodfords to Kirkwood's, a distance of twenty miles. Heretofore it has been a weekly mail, but the service has been increased to twice a week. The road goes through Woodfords canyon and Hope Valley and Mr. Merrill will run a conveyance suitable for carrying all passengers who desire to travel over this route.

Storage Reservoirs.

It is stated that Francis G. Newlands may be looked for in this section, to begin on a general survey of the water courses and storage points. The principal points where water storage is deemed worthy a trial are Crum Canyon, Lewis Canyon, Mill Creek, Rock Creek and the Reese River in the rocky canyon above Bridges, on the Nevada Central. Either place would make a natural storage with no great outlay of capital.

Spell 'em Out.

The people of Reno are having the same trouble about mail matter going to Reno, Nebraska, that we are having, and have had for years, being sent to Genoa, Nebraska. The "Nev." and "Neb." are hard to distinguish, but letters are sometimes miscarried that are addressed in plain print. There seems to be no remedy, other than to have the county and State written in full, and even then letters for Nevada are sent to Nebraska.

A Rare Ore.

The Holmes Mining Company is now extracting ore from the 2100-foot level of the Northern Belle mine at Candelaria and obtaining a rare kind of silver ore that is a pure turquoise in color and quiet rich. The mine at that depth continues, as it has from the surface, to be as dry as a powder horn, and there has never been a drop of water encountered in it.

A Benefactor.

The brainiest man in the State of Nevada to-day, who uses his mental powers in behalf of the State, is R. L. Fulton of Reno. He has written of late spicy, clear-cut articles to the New York Tribune, showing that Nevada can be a great, prosperous State, self-supporting in every branch of industry necessary to the wants of the people, especially farming.

Old Partners Dissolve.

The partnership that has for many years existed between John Bradley and Geo. Russel, has been dissolved by John Bradley taking the firm's Reno property and Geo. Russel becoming sole owner of this cattle and ranges in the neighborhood of Battle Mountain and Elko. Their Idaho assets were sold prior to the dissolution, for \$42,000.

Coming Theatricals.

John Piper has the following attraction booked for the summer: George Staley, in "A Royal Pass," June 5th; Katie Emmett, 16th; "Limited Mail," Carson June 17th; Gilmore's "Twelve Temptations," Carson June 23d; Wm. A. Brady's "Bottom of the Sea," Carson June 26th.

Death of Ben Ellsworth.

On Friday, at midnight, Ben Ellsworth died at his residence near the race track, of Bright's disease. He was 55 years of age, a native of Missouri, and had lived in Carson over twenty years. He left many friends in this community.

The New Postoffice.

Postmaster Rodman got into the new Postoffice yesterday, and all the afternoon people were in the new building choosing boxes. We now have a much better Postoffice than San Francisco.

Every evening upon the arrival of the 10:05 train at Reno, Murray & Davis have a pony and rider ready to carry the San Francisco Chronicle and Examiner to Virginia City, so that their patrons can read them at breakfast.

Thanks to Secretary of State O. H. Gray for a copy of the Nevada Statutes, 1891. The laws are very neatly printed. Although the Legislature adjourned nineteen days later than heretofore the laws were printed and distributed throughout the State nearly two months sooner than usual. This speaks well for State Printer J. E. Eckley and Secretary of State O. H. Gray.—Courier

An item went the rounds of the State papers a short time ago that Miles Finlan, formerly of Virginia City, had been elected Marshal of Butte, Montana. A private letter received there by the editor of the Independent states that Miles did not get there. He had the caucus nomination but was knocked out by the city council. It is evident from this that the people of Butte still have their senses.

Members of Custer Post No. 5 will assemble at Post headquarters at 10:30 a. m. sharp in uniform, to attend the Presbyterian Church acting as escort to Custer Relief Corps No. 15. All Union and Mexican Veterans are invited to attend.
